about the POSSE

The food at POSSE is made fresh and mostly in our own kitchen.

The sandwiches and dishes are made on demand and not by pre-order, so it might take a little longer to prepare. It's worth the wait though.

To let you know how busy we are in our kitchen we have three levels on our traffic light display.

green: 10-15 minutes

orange: 15-25 minutes

red: at least 30 minutes

Enjoy the stay and look around. Relax....

Alle gerechten worden vers bereid in onze keuken en niet vooraf klaargezet.

Daardoor kan het wat langer duren maar het is zeker het wachten waard.

Om te laten weten hoe druk we zijn hebben we een stoplicht waarop te zien is hoe lang het ongeveer gaat duren.

groen: 10-15 minuten

oranje: 15-25 minuten

rood: minimaal 30 minuten

Geniet, haast is een state of mind.
